

Cruisin'

D'Angelo

Baby let's cruise away from here
Don't be confused baby, the way is clear
And if you want it you got it forever
Oh, this is not a one night stand baby

Let the music take your mind
And just release and you will find, baby

We're going to fly away
Glad you're going my way
I love it when we're cruisin' together

Music was made for love
Cruisin' is made for love
I love it when we're cruisin' together

Baby, tonight belongs to us
Everything's right, do what you must, baby
And inch by inch we get closer and closer
Every little part of each other ooh, baby, baby

Let the music take your mind
Just release and you will find, baby

We're going to fly away
Glad you're going my way
I love it when we're cruisin' together

Music was made for love
Cruisin' is made for love
I love you when we're cruisin' together

We're going to fly away
Glad you're going my way
I love it when we're cruisin' together

Music was made for love
Cruisin' is made for love
I love you when we're cruisin' together

Cruise with me baby, baby
Oh baby

Oh baby let's cruise, let's flow
Let's glide, let's open up and go inside
And if you want it you got it forever
I can just stay there inside you and love you, baby

Let the music take your mind
And just release and you will find

We're going to fly away
Glad you're going my way
I love it when we're cruisin' together

Music was made for love
Cruisin' is made for love

I love you when we're cruisin' together

We're going to fly away
Glad you're going my way
I love it when we're cruisin' together

Music was made for love
Cruisin' is made for love
I love you when we're cruisin' together

We're going to fly away
Glad you're going my way
I love it when we're cruisin' together

Music was made for love
Cruisin' is made for love
I love you when we're cruisin' together

We're going to fly away
Glad you're going my way
I love it when we're cruisin' together

Music was made for love
Cruisin' is made for love
I love you when we're cruisin' together
