

Jonz In My Bonz

D'Angelo

Said I got a jonz in my bonz
I said this feeling that I got
Won't leave me 'lone
Said I got a jonz in bonz
I said this feelin' I got
Goes long and strong

All my natural life I've been waiting
I've been holding on
To everything that belongs to me
Fooled, missed by every single possibility
What I wouldn't give to be
Next to the things that where meant fo me
Uh ooh

Said I got a jonz in my bonz
I said this feeling that I got
Won't leave me 'lone
Said I got a jonz in bonz
I said this feelin' I got
Goes long and strong

On and on, on and on, on and on, on, on,
Baby, shoo do doo da do

Said I got a jonz in my bonz
I said this feeling that I got
Won't leave me 'lone
Said I got a jonz in bonz
I said this feelin' I got
Goes long and strong
