

# Nothing Even Matters

D'Angelo

Now the skies could fall  
Not even if my boss should call  
The world it seems so very small  
'Cause nothin' even matters, at all

See nothin' even matters  
See nothin' even matters at all  
Nothin' even matters  
Nothin' even matters at all

See, I don't need no alcohol  
Your love makes me feel ten feet tall  
Without it, I'd go through withdrawal  
'Cause nothin' even matters at all

Nothin' even matters  
Nothin' even matters at all  
Nothin' even matters  
Nothin' even matters at all

These buildings could drift out to sea  
Some natural catastrophe  
Still there's no place I'd rather be  
'Cause nothin' even matters to me

See nothin' even matters  
See nothin' even matters to me  
Nothin' even matters  
Nothin' even matters to me

You're part of my identity  
I sometimes have the tendency  
To look at you religiously, baby  
'Cause nothin' even matters to me

Nothin' even matters  
Nothin' even matters to me  
Said I don't, my baby, baby

Now you won't find me at no store  
I have no time for manicures  
With you it's never either or  
'Cause nothin' even matters no more

See nothin', it don't matters  
See nothin' even matters no more  
Nothin' even matters  
Nothin' even matters no more

Now my team could score  
And make it to the final four  
Just repossess my 4 x 4  
'Cause nothin' even matters no more

Nothin' even matters  
Nothin' even matters no more  
Nothin' even matters, oh oh oh

To me, to me, to me, to me, to me  
To me, to me, to me, to me, to me

Nothing even matters  
Nothing even matters no more  
Nothing even matters  
Nothing even matters

Nothing but you  
Nothing but you  
Nothing but you
