

She's Always In My Hair

D'Angelo

Whenever I feel like givin' up
Whenever my sunshine turns 2 rain
Whenever my hopes and dreams
are aimed in the wrong direction
She's always there tellin' me how much she cares
She's always in my hair
She's always in my hair, my hair
Whenever I feel like not 2 great at all
Whenever I'm all alone
Even if I hit the wrong notes
She's always in my boat
She's always there tellin' me how much she cares
She's always in my hair
She's always in my hair, my hair
(Maybe I'll marry her)
Maybe I'll marry her, maybe I won't
Maybe I will not
Let me tell U, baby (Even if I was a gigolo all my life)
If I was a gigolo all my life
She'd still be there tellin' me just how much she really cares
(She cares)
She's always in my hair
She's always in my hair, my hair
Yeah
Listen...
Whenever I feel like givin' up
Whenever my sunshine turns 2 rain
Whenever my hopes and dreams are aimed in the wrong direction
She's always there tellin' me just how much she cares
(Tellin' me how much she cares)
Tell me, baby
Always in my hair
She's always in my hair, my hair
She's always in my hair [repeat 2 fade]
