

Blue Velvet

D.I.

Nitrous oxide fucks my head
My babay wants blue velvet
She makes me se red
Candy coated clown sung by Ben
He's hiding in the closet
He wants to come again

Makes no mistake
It's a death threat!
Love letter from me
And you're fucked for life
Bullet from my gun
It's a death threat!
Jefferey cries alone in his room
With a beat in hand
And impending doom
Visions of Frank
Say, "Fuck you!"
Sitting in his car
Not knowing what to do
