

Johnny's Got A Problem

D.I.

Johnny's got a problem and he's outta control...
Johnny's got a problem he's outta control
He's got static of the brain, outta control
Chippin' every day chipin' deeper and deeper
The girl she looks like a choo choo train
I don't know what you're trying to do, John
Looks to me like you got no brain
'cause we used to look up to you
Johnny's got a problem
Johnny's got a problem and he's outta control...
Johnny's got a problem he's outta control
He's got static of the brain, outta control
Chippin' every day chipin' for the gipper
Chippin' on chippin' on down the line
Doesn't really matter who you take with you
Just as long as Johnny feels fine
'cause he used to look up to you
Johnny's got a problem
Johnny's got a problem and he's outta control...
Johnny's got a problem he's outta control
He's got static of the brain, outta control
Runnin' everyday diggin' your own grave
Until you wise up will you be saved?
Johnny after Johnny you're all the same
You play with fire it's a downhill game
'cause we used to look up to you
Johnny's got a problem and he's outta control...
Johnny's got a problem he's outta control
He's got static of the brain, outta control
One more for a different job
Johnny's got a problem and he's outta control...
Johnny's got a problem he's outta control
He's got static of the brain, outta control
Johnny's got a problem and he's outta control...
