

Richard Hung Himself

D.I.

Needles stabbed in to the walls
The executioner's curtain call
Fighting back he found his life drowning
And there was no way up
Cause Richard hung himself, Richard hung himself
It happened just the other day
Jesus caught and pushed him off the shelf
He thought he'd find a better way with
Slashing and stabbing and maiming and ramming
Death room with black curtains
Where his clothes once laid
The roof kicked out and the rope tied to the rafters
A quick kick of the chair and it' all through
If Richie only knew

Cause Richard hung himself, Richard hung himself
It happened just the other day
Jesus caught and pushed him off the shelf
He thought he'd find a better way
With needles, injecting, and shooting subcutaneously

His life suddenly flashed right before his eyes
What a swingin' guy
Turnin' grey with mold
This is when he died
Give it up, give it up, throw it all away

Boiling acid bath
Pulmonary wrath
Feel the pulling surge
It won't let you go

Throw it all away, throw it all away
Throw it all a, throw it all a,
Throw it all away

Swingin' in his room Richard won't come out to play
Cause Richie hung himself the other day
Oh how the years seemed to fly by
Is death the final high?

Cause Richard hung himself, Richard hung himself
It happened just the other day
Jesus caught and pushed him off the shelf
He thought he'd find a better way with
Learning and stabbing and ripping and stabbing and
Shredding and stabbing and shredding and stabbing
And ripping and tearing, attacking and maiming
And taking the body God gave to you
I gotta get out
What do I do?
Die.
Just to name a few.
Richard hung himself
Cause Richard hung himself
Richard hung himself
Cause Richie swung himself

Richard hung himself
Richard strung himself
Richard hung himself
The needles stung himself
Richard hung himself
It pushed him off the shelf
Richard hung himself
Cause Richard hung himself
Richard hung himself
Richard hung himself
Richard hung.
