Fucked up Bush

D.O.A.

You're fucked up Bush
You're not gonna last
You better beware
Of the people's wrath

You're fucked up Bush (4x)

I'm lyin' in a pool of blood
Won't you leave me alone
I don't want your help anyways
When you march us off to war
You'll never be there to save the day

You're fucked up Bush (8x)
Won't you leave me alone
