

## General strike

**D.O.A.**

Shut it down! We're tired, yeah, tired of workin'. Yeah, workin'  
' for nothin'. We all want, what we got comin'. All we need is  
a break, come on take a break. Everything is not all right and  
there's no end in sight. You can call it, whatcha like. Come on  
, stand up for your rights. Stand up, stand and unite. It's tim  
e for a general strike. We been out, breakin' our backs. Been o  
ut workin' gettin' no slack. All week long, payin' those bills.  
That's just the people, that still got a job. What about the r  
est of us, on the soupline. Stand up, stand, stand and unite. I  
t's time for a general strike. Stand up, stand and unite. It's  
time!!!
