

Get away

D.O.A.

Get away, get away from you get away, sick of all your lies
Get to get away from, got to get away from you got to get away
from, got to get away from your bullshit welfare moms you thin
k that's too much, newt gingrich?
You're just too much
Televangelism and the penal colonies three strikes you're out d
o they mean me?
So I get drunk and have sex on the phone and pay more attention
to other's lives than I do to my own
