

## Get Out of My Life

D.O.A.

Where you at you're makin' me weak  
a knife in my back  
but I'm beginning to think  
your new waves' shit  
your new wave's shit  
and I'm gonna get sick all over... you  
I never wanna be like you...  
you sound so stale you stupid  
wimps and I'm beggin' to think  
ya fuckin' stink  
you new waves' shit  
your new waves' shit  
and I'm gonna get sick all over... you  
I never wanna be like you...  
ya fuckin' jerks!
