

Hole in the sky

D.O.A.

You can't see it, but it's a mess. Killing the ozone, put our planet to death. Making profits, out of thin air. You can't hide anywhere. Cause there's a hole in the sky. The ozone's ripped and you can't hide. Burning death and corporate greed. Cause there's a hole in the sky. Take a walk outside, see a blue sky. Watch your step, might be suicide. It's pretty obvious, you think they'd learn. But when money comes first, we're all gonna fry. Burn, yeah you're gonna burn. Yeah you're gonna burn.
