

# I Don't Give A Shit

D.O.A.

I'm a fucking bum  
Can't you understand that man  
'Cuz I live on welfare  
'Cuz that's where I'm at

I don't work (work-work-work-work)  
That's what I want

Yeah, I'm a fucking creep  
People don't pick up on that  
'Cuz they don't understand me  
'Cuz they don't know where I'm at

I don't work (work-work-work-work)  
That's what I want

Well, I'm a fucking bum  
Can't you understand that, man  
I live just for me  
'Cuz that's where I'm at

I don't work (work-work-work-work)  
That's what I want
