

I hate you

D.O.A.

You wanna make a difference but it seems like you're nothin' you
u start to hate everything you turned against everyone the jerk
ss at the corner shop all the mugs up your block so you say

I hate - you you hate -- me we hate -- each other in your car y
ou get cut off on the bus you never talk just sit an' shut your
chop fighting in a nightly brawl against the colours you resen
t along with the rest of the dense so we say
