

Knots

D.O.A.

No I'm still in my room tie me up, tie me down so I can't move
out of my cage into the zoo bark like a dog howl at the moon I
got nothin' to do, got nothin' to lose I'm not wasting time whe
n I'm wasting you

Was that you I don't know why the things I did I can't unite no
w I'm still, in my room tie me up, tie me down so I can't move
a pack of regrets, a bottle of blues I can't tell who I bruise
I got nothin' to do, got nothin' to lose I'm gonna fuck you up
'cause I'm fucked up too

Was that you, I don't know why the things I do, I can't unite I
didn't know, was that you the things I did I can't undo
