

Overpowering urges

D.O.A.

I can't get, can't get enough out of control screaming no way to
get off subliminal, now I know what I want gotta have or I'm
less than them chorus overpowering urges motivating the mind ru
nning the body orchestrating the grind get control, get a hold
of myself but I can't help dreaming, it's what they tell me I w
ant but I'm a strong and independent man got a smoke, buddy, can
't you see my shaking hand I guess it's true what they said I've
got a god living in my head you make the maze, I'm your rat t
ill my dying day I'll be in your debt chorus overpowering urges
- growing inside overpowering urges - push my buttons overpowe
ring urges - flash before my eyes
