

You

D.R.I.

Today I want to be with you for the rest of my life
Tomorrow I may never want to see you again
That's how it goes, people change
But you know that I don't have to tell you

I think about you all the time
I think about you all the time
I never wanted this, I was having fun
Before I met you, falling for anyone

Was not on my agenda, but it still happened, now
I think about you all the time
I think about you all the time
I don't have to tell you, you know that
I think about you all the time
I think about you all the time

Tomorrow - before I met you
Falling - not on my agenda
People change - it still happened
Thinking about you for the rest of my life
