

# I Want U 2 B With Me

D'Sound

When I get off the stage  
I've gIven what I've had  
To give to anyone  
I don't feel good nor bad  
I go back to my room  
And don't relate to anyone

When I am on a plane  
To conquer all my dreams  
And everything 's ok  
And I'm a lucky girl  
I see you in a cloud  
I don't know what I'm doing here

I want you to be with me

When I am in a place  
Where everythIng is strange  
And I'm just passing through  
And so goes day by day  
I can't keep track of names  
And I just want to close my eyes

And when I hit the notes  
The way I'm supposed to do  
The band and I are hIgh  
And nothing can go wrong  
I always think of you  
I wish that you could see me now

I want you to be with me

'cause all I feel and see  
I want you to see it too  
'cause what I know and do  
I want to share it wIth you
