

I Want U 2 B With Me

D'Sound

When I get off the stage
I've given what I've had
To give to anyone
I don't feel good nor bad
I go back to my room
And don't relate to anyone

When I am on a plane
To conquer all my dreams
And everything 's ok
And I'm a lucky girl
I see you in a cloud
I don't know what I'm doing here

I want you to be with me

When I am in a place
Where everything is strange
And I'm just passing through
And so goes day by day
I can't keep track of names
And I just want to close my eyes

And when I hit the notes
The way I'm supposed to do
The band and I are high
And nothing can go wrong
I always think of you
I wish that you could see me now

I want you to be with me

'cause all I feel and see
I want you to see it too
'cause what I know and do
I want to share it with you
