

In The Game

D'Sound

Lesson learned
Page is turned
Picture burned

Party dates
Are confirmed
Backup-friends
Are adjourned

If I knew what i wanted
I would go and get it right away

But I am in the game again
Remembering my name again

Hope destroyed
Heart is annoyd
Feel the void

Brand new dress
For excess
Look your best

I go on and on and on
I can't stop my heart from beating
I go on and on and on
Always chasing what I'm needing
