

# Get It Get It

Da Brat

[Greg Street]

Greg Street checkin in, the B-R-A-T  
Hey it's time to get "Funkdafied" all over again  
It's been a long time, but it's go time right now

[Jermaine Dupri - echoing]

This is a, So So Def, world premier  
A world, premier  
So So Def, world premier  
Y'all know what this is!

[Chorus: sung]

I'm just tryin to get it, get it, don't worry about me  
You need to take a look at yo'self  
I'm just tryin to get it, get, no time to play around  
You can take that {shit} somewhere else

[Da Brat]

Yo! E'rybody wanna know about  
What I do, when I do what I do, who what when where how  
You, should know by now that life is unpredictable  
I'm "Unforgettable" like Nat King Cole  
Un{fuck}wittable when I unload  
"Untouchable" as Al Capone  
Start duckin when I'm in my zone  
When I bust these verses somebody better call some hearses  
I'm a homicidal (American Idol) with a purpose  
If I don't murder what I recite, I'm worthless  
Why should I settle for just aight?  
Ain't nobody 'round here in my life (nope)  
Nobody out here give me fright  
So So Def or give me life  
Toast it up to the most high, yeah  
Broke a lot of records, wrote a lot of best sellers  
But I ain't do {shit}, let you tel it  
I'm the {shit}, bet you smell it  
From the mountaintop, I'm gon' yell it  
Made it over, been made over  
Been all over around the world, been laid over  
My complaining days over  
I don't take nuttin for granted no mo'  
Those of y'all who can't stand me there the do'  
so walk the {fuck} up out it  
I'm 'bout it, if you ever doubt it  
Show your face when I'm rockin the crowd  
Any place, any time  
At the drop of a dime I puts it down  
Get it how I gotta get it  
cause I gotta get it while the gettin gettin good

[Chorus - repeat 2X]

[Jermaine Dupri (Jadakiss): over Chorus]

Uhh, get it  
Talk to 'em right now  
Uh-huh... (ayy)  
Take it somewhere else (ayy)

(Ayy) Yeah  
(Ayy - ha HAH!)  
Bet y'all know what that means (nah)  
'Kiss, holla at 'em

[Jadakiss (Dupri)]  
This is about money then I'm widdit, I'm just tryin to get it  
They got me goin hard in the paint on my pivot  
The voice is unique, but the flow so exquisite  
It's one thing to talk it, it's another thing to live it (ya heard?)  
Main man listen (uhh) game plan switchin  
I hit the block and the booth with the same ambition (DAMN!)  
I brought that house, I drove that car  
My financial future is controlled by MUAH  
I be V.I.P. in the club that you wait in line fo' (me too)  
Only question I ask is what you worry about mine for? (Uh-huh)  
Need to get your own, stop worryin 'bout what I signed for  
Reason you ain't got nuttin now is you need to grind more (ehehehe)  
Need to take a look at yourself, maybe you'd find more  
The impact I made on the game stronger than Pine Sol  
Yeah, dedicated and committed  
Don't stop, never quit it, nah I'm just tryin to get it

[Chorus - 2X]

[Jermaine Dupri - over Chorus]  
Uhh, uh-huh  
You need to worry about yourself man  
Stop worryin 'bout me  
Bitch you know me  
I've been tryin to get it  
Gettin it, and still tryin to get it, hehehe  
Brandon, take me out man  
[?]  
Uhh, rock with me y'all [5X]  
Just keep goin man

[singer]  
I'm just tryin to get it, get it  
OHHHHHHHHHHH!  
I'm just tryin to get it, get it  
Get ittttttt, ohhhhhhhh  
I'm tryin to get it
