Take a seat, lay back and listen
As I bust for your ass on

And relax your feet (that's right)
Party on down with Da Brat
And her beat

And that's how it goes

All you niggas and hoes

So listen up
Make sure you listen up well
And don't miss shit cause

In a gangster's way
That's how them fools

So, what you want to do, bitch
Don't even trip
Step up, step up
And I'm-a bust your lip

That I know you don't want me to
But keep on tripping and

Single handed bandit and damn it

Better, it don't get no more
Than the flow that I flow
For you niggas and hoes

Elevating as I (smooth)

Operating and I love to get high

Well, nigga, fire it up
Say what, nigga, fire it up
At your request, I guess it's time
For me to get fucked up

It goes one puff, two puff
Three puff, four

From the bottom to the top
Top to bottom, I go
So now you know

What I ain't and what I is
It's the baddest new bitch
In this hip-hop biz
