Im in love like Maxwell
You see me cryin but I just cant help it
Myself esteem is even higher when im walking with you
You give me fire and desire
Like Tina Marie and Rick James do
I don't care burn up the minutes on the cell
Just turn up the music and feel its hard as hell
I get abusive with the flows on me
When I seduce em' they just wanna hold me
Cuz im so smooth and it's real not phony
With a nigga you will never be lonely
Its been official im hot

I cant get you off my mind
Finally found somebody who see me instead what's on the out side
As fine as Roy Jones
Makin a move in my bones
You presents makes everything else irrelevant when we close
Turn off the 2-way
You lay your head on my pillow
And do me baby
The rhythm gonna get chu groovin baby
And we can rock until broad day light
Body's knockin the boots
Destroying property, poppin me up to get through
It aint right the way you feeling on my booty
Its just you and me
Unexplanatory the way you adore me
Lord have mercy somebody gonna have to pray for me
