

## Leave Me Alone (Interlude)

**Da Brat**

[Da Brat]

Yo, Dont be talkin' to me about no motherfuckin' problems.  
Don't be talkin' to me about shit I don't wanna argue.  
I don't wanna do shit, I just want a motherfuckin' smoke.  
When I'm smokin don't fuck with me.  
See what I'm sayin I don't need this shit.
