Da Brat

[Jermaine Dupri - echoing]  
This is a, So So Def, world premier  
A world, premier  
So So Def, world premier

[Kelly Rowland]  
Go, go, go, go! [4X]

[Da Brat]  
C'mere let me motivate you  
to the point you can't enunciate my name  
I had you speakin in another language  
not even a foreigner could interpretate  
Since you've been patient, we ain't got to hesitate  
I ain't gon' keep you waitin  
Wanna show my appreciation  
Got somethin sensational to set on yo' plate  
I got a pop bra, drop drawers, I took it all off  
So once I bust Lake Michigan I can crawl on  
I got a lot of thug in me - huh, it's cockiness  
Now I got a lot of thug in me, with his cock in this  
Huggin me, tellin me he feelin like  
he fin' to fall in love with me  
Tellin me that I'm the one  
and everything so right he wants to be stuck with me  
My occupation is to motivate him  
and cultivate his mind frame to my type frame  
All through the night to the early  
I'm a rider like I'ma nigga talkin dirty  
But be ready to put work in

[Chorus: Kelly Rowland]  
But you can't stop there  
Music still playin, in the background  
No, and you're almost there  
You can do it I believe in you baby  
So close from here

[Kelly Rowland]  
Baby I'ma be your motivation  
Go, go, go, go! Motivation  
Go, go, go, go!

[Da Brat]  
Yeahhhh! Y'all know what this is, yo  
I know I got your curiosity wonderin  
Cause my swag so turned up  
Am I gon' take control or be a little bit passive  
I'm very passionate 'bout when I fuck  
Face down, ass up, satisfactory no matter what  
Main attraction when I'm makin love  
All action, don't yell and cuss  
Nobody with me never get bored  
Nominate me for a V award  
Best actress in the outdoors  
On the mattress or on the floors  
In the ocean or on the shore

My emotions make you want more  
Ye ain't never had it like this befo'  
So you can't compare me to no previous hoe  
I'm mo' thirst quenchin than a jug of water  
Motivate ya wind ya 'til it's out of order  
You'll want more than a friendship when it's over  
Cause I don't just ride or die, I'm a soldier  
"Stand By Me," Sam Cooke  
My whole army leave a man shook  
But I ain't really lookin for no kind of relations  
If you need me doe, I can be your motivation

[Chorus]

[Kelly Rowland]

Whoa lover! When you call my name  
No other! Can do that the same, no  
I won't let ya, get up out that game no  
So go on lover, go on and make me rain  
And when we're done, I don't wanna feel my... legs  
And when we're done, I just wanna feel your hands all over me baby

[Chorus]
