

# Naive

Da Brat

Chorus x2

I know you think I'm young and naive  
But you gotta trust in me  
To be strong and responsible  
'Cause I think I'm in love

1st Verse

Solange: Don't try to tell me this ain't real  
It's in the way he makes me feel  
I think my baby is the one  
It's in the way he holds it down

Beyoncé: I know you think that this is real  
I know exactly how you feel  
To young to know if he's the one  
Girl you got time so slow it down

Chorus x2

Bridge

Solange: It's too complicated  
To explain my relationship  
My friends are hating  
Cause they ain't feelin' what I'm feelin'  
Leave me alone  
And just let me be  
Find your own thing  
And get off of me  
Beyoncé: It's not complicated girl  
I've been where you are before  
I'm not underrating  
I'm just tryin' to protect your feelings  
Solange listen to me understand what I'm saying  
You'll realize one day  
How much I care

Chorus x2

Verse 2

Da Brat: Solange you might love the boy  
Even sneak around the corner kiss and hug the boy  
But Beyoncé been there before  
And she wouldn't want anybody to hurt you  
Cause Matthew would drill the boy  
And I can't ignore that you young  
We just don't want you to get sprung  
On some young dumb-dumb with no crumbs  
Get all up in your heart and then run  
Gettin' your heart broke is no fun  
Neither is somebody telling you he not the one  
You gotta learn for yourself though  
And if you don't experience things  
Then you'll never know  
I don't want you wishing  
You coulda, shoulda, woulda did it  
But you didn't  
Listening to other people's advice

It's your life  
Make your own decisions really
