Da Brat

Brat

Hey JD, why you be saying oh, oh  
Is that like flossin' shit?  
You just like walk in and so people say  
"Oh shit, it's him"  
Bounce to this, come on

Where my rag wearing soldiers that  
Love to watch the dough stack  
Never leave the house without their strap  
That's what I'm looking for

They know just what a woman need  
Keep a big bank roll and a bag of weed  
When it's time to go down they ain't scared to freak, shit  
That's what I'm looking for

Where my Rolley wearing thugs who  
Claim they don't love you  
But any time you want something done, they do it  
That's what I'm looking for

The ball-all-night type  
Frontin', screamin', thug life  
That's the type of nigga I like  
That's what I'm looking for

I get high, get mine  
I like a thug in my life to get by  
That's why I spit shine the pussy  
'Til it get tight and fine  
He push me over to the other side  
If he act right he could hit it from behind  
We can bump and grind all night 'till we reach a climax  
Make sure you leave a phat sack for Brat  
Till you come back for more

Six pack surrounding my belly hole, it's tight  
You ain't gotta tell me so  
So Def is the way that I flow  
Made to blow, pave the road  
Unfadable, capable to save your hoe

Wherever I go, stack dough  
I'm looking for a nigga roll, that ain't broke  
If it's time to lick of shots he don't choke  
Even know how to flip cocaine and when the funds is low

For the show stopper, this for the know nadas  
Shit get mo' hotter, nigga holla my name  
They follow me when I drivin' the range  
And wait for me to finish performing backstage

Never have a nigga yawning  
When they keep up with the shorty  
Weed pumping as strong as me  
Gotta be the ball-all-night type

I like it every minute when he charmin' me

Where my rag wearing soldiers that  
Love to watch the dough stack  
Never leave the house without their strap  
That's what I'm looking for

They know just what a woman need  
Keep a big bank roll and a bag of weed

Stretch out your arms, flip out your wrists  
Let me see what to hit for  
I'm fixing to know if you can afford to cop  
A couple of dem thangs for your girl to rock  
When we stepping in the door we killing ?em  
Let the heads know we ain't feeling them  
Or affiliated with them

I glisten and glow, 38 caliber go pop  
Niggas that wanna show off, don't just stop  
My soldier's not having that  
I'm looking for a thug that'll kill for Brat  
And make million dollar deals for Brat  
And pay some of the bills for Brat  
And just chill for Brat

Watch dough stack, been broke, am I goin' back? Nope  
Need to know how to surround a bitch with stability  
Get down, bitches, if he feel me, rich now  
I can't afford to sit down, get bored if  
We got hits out nigga need big clout  
Don't crowd my space if we dip out  
Running with some other nigga face he don't trip out

Never leave the house without weed and a glock  
Even got keys to the spot to drop the PO Box  
And in the drawer when he find his underwear  
I keep a fresh do rag in his hair

Where my rag wearing soldiers that  
Love to watch the dough stack  
Never leave the house without their strap  
That's what I'm looking for
