

# Alive

Da Buzz

This is the feeling of my life  
I wanna be with you now  
I wanna have you with me  
Always forever and you

You are the one for me now  
And I can see that you  
want (want want want)  
more (more more)

You came through the door  
You came through it all  
One step further and  
I will lose it all  
Everything you said  
Everything was so right

I was in your eyes  
You were in my mind  
When you took my hand  
And we start to dance  
I just can't believe  
That it's you and me now

I'm alive  
for the first time in my life  
I just know that I'm alive  
I wanna dance the night away  
I'm alive  
I'll always be there by your side  
I just know that I'm alive  
This is the feeling of my life

I'm alive  
You're reality  
You're my fantasy  
I just can't believe  
This is happening  
Crossed my fingers and  
I can see that is true

I was in your eyes  
You were in my mind  
When you took my hand  
And we start to dance  
I just can't believe  
That it's you and me now

I'm alive  
for the first time in my life  
I just know that I'm alive  
I wanna dance the night away  
I'm alive  
I'll always be there by your side  
I just know that I'm alive  
This is the feeling of my life

(This is the feeling of my life  
I wanna be with you now  
I wanna have you with me  
Always forever and you)  
(You will be one for me now  
And I can see that you  
want(want want want)  
more(more more)

for the first time in my life  
I know that I'm in love  
I wanna dance the night away  
I'm alive

And I want you  
'cause I need you  
I just got to be beside you  
For you really make my  
dreams come true

I'm alive  
for the first time in my life  
I just know that I'm alive  
I wanna dance the night away  
I'm alive  
I'll always be there by your side  
I just know that I'm alive  
This is the feeling of my life
