

Give You All My Love

Da Buzz

I don't wanna go
Cause I have a dream
My love is on its way to reach you
How much will it take to be mine
Don't have time to think
Don't need time to feel
You know there is no way to lose me
Better be real love

Every night and everyday
I just wanted you to say
That you love me
And want to kiss me
Every single word you said
Every second, everyday
I'll try to find my way through

I give you all my love.. ohoh
And I'll make you feel alright.. ohoh
I give you all my love.. ohoh
And I'll make you feel alright.. ohoh

We turned out the light
And went out of time
I took you all the way to heaven
Unforgettable love that we shared
Oh, you are all I am thinking of
Time has come to give us pleasure
I wanna love you

Every night and everyday
I just wanted you to say
That you love me
And want to kiss me
Every single word you said
Every second, everyday
I'll try to find my way through

I give you all my love.. ohoh
And I'll make you feel alright.. ohoh
I give you all my love.. ohoh
And I'll make you feel alright.. ohoh

You don't need to pray, you don't need to say
A word about the thing you wanna do
I'm coming back to you, just wanna make it true
Gotta take you out on a ride, I give you all my love

I give you all my love (x3)

I give you all my love.. ohoh
And I'll make you feel alright.. ohoh
I give you all my love.. ohoh
And I'll make you feel alright.. ohoh
