

# I'm Alright

Da Buzz

Yes I am alright, now I'm alright  
And I want the whole wide world to know  
But I can tell it hasn't been easy  
Gotta tell the whole wide world  
I'm alright

I'm alright (I'm alright)

In despair, didn't care  
The thought of loneliness  
You weren't there  
(No more) fantasy  
(No more) ecstasy  
(No more) high expectations  
Of anything at all

I'll get back home I'll find my way  
Getting stronger everyday  
My fortune's here to stay

Yes I am alright, now I'm alright  
And I want the whole wide world to know  
But I can tell it hasn't been easy  
Now I want the whole wide world to know  
I'm alright

I'm alright, I'm alright  
(Yeah)

Didn't want, didn't dare  
To face the fact  
That life's not always that fair  
(Sometimes) treated good  
(Sometimes) treated bad  
(Sometimes) sometimes things may occur  
That will make you sad

My past has made me understand  
A truly loving friend  
Is just like a healing hand

Yes I am alright, now I'm alright  
And I want the whole wide world to know  
But I can tell it hasn't been easy  
Now I want the whole wide world to know  
I'm alright

I'm alright, I'm alright  
I'm alright, I'm alright  
I'm alright (ohh I'm alright)

Now I know the only thing we really had  
Was wasted time and devotion  
Nothing remains but this one thing left unsaid  
I want the whole wide world to know  
That I'm alright

I'm alright, I'm alright  
Yeah heh

Yes I am alright, now I'm alright  
And I want the whole wide world to know  
But I can tell it hasn't been easy  
Gotta tell the whole wide world  
I'm alright

I'm alright  
I'm alright (I'm alright)  
I'm alright, I'm alright  
I'm alright  
Now I want the whole wide world to know  
I'm alright
