

Sorry Baby

Da Buzz

Lyin' flat there on my bed
Thinkin' 'bout the things I said
I guess I went to far, this time to far

You know I thought you would take it right
I thought you were strong but I
I guess i was wrong, I was wrong

I wanna tell you

Sorry if your heart is broken
Sorry, wish I'd never spoken
I just couldn't keep it to myself
Sorry Baby

Yesterday I saw you there
Across the street but I didn't dare
I just have to wait for you to call
And tell me everything's gonna be alright
It's all forgotten and out of sight
My love for you so strong, can't you see?

I wanna tell you...

Sorry...

Take my hand we'll walk together
You and I could be forever
I can wait for you to take your time
Sorry Baby

Thing's went out of hand
Love can make you a fool
Hope you find it in your heart
To forgive me now

Take my hand we'll walk together
You and I could be forever

I can wait for you to take your time
Sorry Baby

Sorry...
Take my hand we'll walk together
You and I could be forever
I can wait for you to take your time
Sorry Baby
