

Wonder Were You Are

Da Buzz

(Hey...)

(Wonder where you are)

I see you go again
To escape from the pain
Shouldn't left you alone (no)
But baby listen to me
I cant help how I feel
There's an end of my love

You can run, you can cry
But look deep in my eyes
Our love must be through
I think I'm loosing it all
I dont want you to fall
So take my hand
And tell me were you are

I need to know
I wonder where you are
I need to know
I wonder where you are
I need to find the love I once had for you
I wonder where you are

You went away from it all
Couldnt take it no more
I fear you are gone
Would like to see you again
Say I never walk away
But I know it's to late
(And I know it's to late)

You can run, you can cry
But look deep in my eyes
Our love must be through
I think I'm loosing it all
I dont want you to fall
So take my hand
And tell me where you are

I need to know
I wonder where you are
I need to know
I wonder where you are
I need to find the love I once had for you
I wonder where you are

(Wonder where you are)

Maybe you're walking in my dreams
Maybe I just wanna hold you
I need to find the love I once had for you

I wonder where you are
I wanna know where you are
I need to find the love I once had for you

I wonder where you are

I need to know

I wonder where you are

I need to know

I wonder where you are

I need to find the love I once had for you

I wonder where you are

I need to know

(I really need to know where you are)

I wonder where you are

I need to know

I wonder where you are (I want to be with you now)

I need to find the love I once had for you (I need your ready)

I wonder where you are
