Flash Gordon

Daan

Flash gordon on a lightstick with the guns hanging lowflash gor don with a nice prick and the power to go Flash gordon sighting 'neath the cut of a wood Flash gordon on a lightning 'neath the train that is stood

Now the train that it stook, yeah, the pain that it took Flower to the land, all the pain that it mook All the thoughts that it would

Flash gordon in the nigh airbag done city wrongs and strikking cows

Flash gordon with a power string, he don't live that life He don't need a life again, always sunning up the morning

Flash gordon on a lightstring with the powers above Flash gordon with the lights up above Flash, flash gordon on the lights up above
