

OK

Daan

I think you're OK  
But I can't find no other way  
Then sing a song to make you stay ok?  
I think you're OK  
No matter what your exes say  
I think they're dumb and so blasĥ  
I will take no nay  
This could be your day, your gettaway  
'Cause I think you're OK  
I think you're OK  
Though you're a fan of Dead Man Ray  
Papier machĥ  
And Hugues Aufray  
Liberace  
Still I think you're OK  
Well I think you're OK  
Top of the bill at Monterey  
The Isle of Rĥ Enola Gay  
All that you drop will be OK  
So I think you're OK  
The problem is, babe, if you don't stay  
I'm sure I'll kill a man today  
And for his life I'll make him pray  
So baby stay another day  
'Cause you're OK a bird in May  
You are the air I spray a lady lay  
A way to make my world OK  
'Cause I think you're OK - hey hey  
I sing a song that's not OK in any way  
Don't make me sing all day  
I think you're OK  
But don't ever make me sing this silly song again OK?  
I think you're OK  
But you like Johhny Hallyday?  
That rock'n' roll is so passĥ but hey...  
I think you're OK  
Laisse-moi le dire en bon anglais  
Ce n'est pas difficile tu sais  
Comme a la tĥlĥ  
Comme un beau portrait jolie bouquet  
I think that you're OK  
I think you're OK  
J'ai un deuxieme lit a cĥtĥ  
Je te ferai  
Un cabaret  
Un salon de beautĥ  
You'll be my fiancĥe  
'Cause I think you're OK  
I'll make this old piano play  
Like Michel Berger  
Sans t'embĥter  
I'll be three men and one bĥbĥ  
'Cause I think you're OK  
Et puis je te confisquerai  
Forever throw your clothes away  
Make me forget I might be gay  
A single day 'cause you're OK

'Cause if you stay I'll try no way  
To sell you on eBay to get rid of you at some dirty takeaway  
'Cause I think you're OK - hey hey  
I sing a song that's not OK  
In any way  
Don't make me sing all day  
I think you're OK  
But don't ever make me sing this silly song again OK?  
Not again OK?  
Then you'll be OK.
