Dååth

Do what you said
You can't change
It
I said, back to R.O.T.
Born and then you

Welcomed the

Stant seasons
Inside my mind

Mind's eye
I die

Locked down
Locked down
Hearts against the gate
Locked down
None but the gods would get it
Gate
Locked down
Think how much I
Like to this

To cut yourself

Free of the

I'm wide
Awake, but
Silent
In front of me,
Void in front of me,
But
Silent
The enemy
Thus, I run away from
