

## Silenced

Dáath

Remove your veil of hidden demon secrecy  
Convert all the wicked, vengeful, cast out disbelievers  
Silence the opposing forces rising up in vein  
Devour!

The minds of purity  
All that has been foreseen  
Of all your impure thoughts  
They lied to us about the real truth  
They shut us up and took control  
We have been silenced  
Mouths sewn with fear  
Silenced and left to die

Remove the veil of hidden demon secrecy  
Convert all the disinformed cast out misconceivers  
Silence the opposing thoughts that lead to our decay  
Devour!

They lied to us about the real truth  
They shut us up and took control  
We have been silenced  
Mouths sewn with fear  
Silenced and left to die

Remove the veil  
Convert the wicked  
Silence all thoughts that lead to our decay  
Decay  
Silence our thoughts  
Decay  
Silence our voices  
Decay  
Silence our thoughts  
Decay  
Destroy the power and control

They lied to us about the real truth  
They shut us up and took control  
We have been silenced  
Mouths sewn with fear  
Silenced and left to die
