

## The Hinderers

Dááth

Using your hands to murder to fasten minds  
That feel no mercy and who knows us  
Who knows us?  
Bound by diversion rehearsed  
Endlessly through time hindered  
Your life is measured  
By those inhibiting your mind

Who's the scapegoat?  
Who is labeled?  
Who gnaws the desert  
In frustration?  
Now who's the scapegoat?  
Who is labeled?  
Who gnaws the desert  
In frustration?

Bound by  
Diversion rehearsed  
Endlessly through time hindered  
Your life is measured  
By those inhibiting your mind

Awe-inspired by murder  
To trample dead  
Those who are subject to torture  
And to hinder  
To hinder
