

I'm Feeling Nothing

Dada

Here there's hills of desert, cheap wine
Here there's psychic mocha hot line
I'm feeling nothing, it feels fine
I'm feeling nothing

Mojo, there's mojo in the sunshine
Mudslide, free range, topless shoeshine
I'm feeling nothing, it feels fine
I'm feeling nothing for a love to shine

All I ever wanted was some place to hide
All I ever wanted was a place inside
I'm feeling nothing, it feels fine
I'm feeling nothing for a love to shine

I'm feeling nothing
I'm feeling nothing
I'm feeling nothing
I'm feeling nothing
