

Love Is A Weird Thing

Dada

Love, love, love, love is a weird thing
You can never really figure it out
Oh, love, love, love is such a strange scene
Touch it, taste it, what's it all about?

If there's one thing that I found
It ain't easy comin' down
'Cause love, love is a weird thing
Love is a weird thing
Love is a weird thing
Love is a weird thing

Life, life, life, life is a strange bird
Flyin' upside down against the wind
Yeah, life, life, life, life is a big word
Hello, good afternoon, goodbye, good luck, my friend

Well if there's one thing that I know
You gotta let it flow
'Cause life, life is a weird thing
Yeah, life is a weird thing
An' life is a weird thing
Life is a weird thing

There is a window in time
What can you see today?
You reach for everything
A million miles away

You, you, you, you make it better
Nothing is perfect, sure, but it's alright
Yeah, you, you, you, you make it matter
I want you next to me every night

If there's one thing that I've learned
You gotta wait your turn
'Cause love, love is a weird thing
Love is a weird thing
Love is a weird thing
Love is a weird thing

Love is a weird thing
Love is a weird thing
Love is a weird thing
Yeah, love is a weird thing

Love is a weird thing (love is a weird thing)
Yeah, love is a weird thing (love is a weird thing)
Love is a weird thing, yeah, yeah
(love is a weird thing)
Love is a weird thing
(love is a weird thing, love is a weird thing)
Love is a weird thing
(love is a weird thing, love is a weird thing)
Love is a weird thing
(love is a weird thing, love is a weird thing)
