

Stupid Songs About Love

Dada

Doo doo doo, doo doo doo
Doo doo doo, doo doo doo
Doo doo doo, doo

Spent my day at the jumping school for chickens
I think I learned a lot today
Tonight I've got a date with my best girl
She's the greatest girl in the world
She's so the one for me, it's all good
On everything, everything we agree
Every little thing

She loves the bands that sing all the hate songs
So much "kewler" than the stupid bands
That sing their stupid songs about love
Yeah, yeah, yeah
She loves the bands that bring on the pain songs
So much "kewler" than the stupid bands
That sing their stupid songs about love
So much "kewler"

Doo doo doo, doo doo doo
Doo doo doo, doo

I'll buy the cigarettes she likes to drag
They won't run, she won't have to bum
The wrong kind again from me this time
I can't wait to be again with her
She's so "kewl", she's a cat, she purrs
She knows all the words to the songs we sing
I love to hear her sing
Love to hear her sing

She loves the bands that sing all the hate songs
So much "kewler" than the stupid bands
That sing their stupid songs about love
Yeah, yeah, yeah
She loves the bands that bring on the pain songs
So much "kewler" than the stupid bands
That sing their stupid songs about love
So much "kewler" than the stupid bands
That sing their stupid songs about love
So much "kewler"

Doo doo doo, doo doo doo
Doo doo doo, doo doo doo
Doo doo doo, doo doo doo
Doo doo doo, doo

I'll buy the ring for her someday
She'll leave it in her eyebrow to stay
The way she is to me tonight
So much to see in life through her
So glad she understands my words
As we float like birds through our concert high
Through our concert high
Through the concert high

She loves the bands that sing all the hate songs
So much "kewler" than the stupid bands
That sing their stupid songs about love
Yeah, yeah, yeah
She loves the bands that bring on the pain songs
So much "kewler" than the stupid bands
That sing their stupid songs about love

So much "kewler" than the stupid bands
That sing their stupid songs about love
So much "kewler" than the stupid bands
That sing their stupid songs about love
So much "kewler" than the stupid bands
That sing their stupid songs about love
So much "kewler"
