

This Thing Together

Dada

Hoo-ooh-ooh-ooh
Hoo-ooh-ooh-ooh (Hah-ah-ha-ah)
Hoo-ooh-ooh-ooh (Hah-ah-ha-ah)
Hoo-ooh-ooh-ooh (Hah-ah-ha-ah)

Don't frown on me
Be angry with me otherwise
Frown on me
Don't let your smile be jeopardized

You know we're in this thing together
You know we're in this thing forever

Don't pound on me
Or beat me up otherwise
Pound on me
Don't let our love be pulverized

You know we're in this thing together
You know we're in this thing forever

You know I'll miss you when you're gone
You know I'll miss you when you're gone, gone
You know I'll miss you when you're gone

Hoo-ooh-ooh-ooh (Hah-ah-ha-ah)
Hoo-ooh-ooh-ooh (Hah-ah-ha-ah)

Don't drown on me
Or leave my world otherwise
Drown on me
Don't leave my world compromised

You know we're in this thing together
You know we're in this thing forever

You know I'll miss you when you're gone
You know I'll miss you when you're gone, gone
You know I'll miss you when you're gone

(Ah, ah)
Hoo-ooh-ooh-ooh (Hah-ah-ha-ah)

I'm so afraid to lose the one (Hoo-ooh, hah-ah)
That proves I'm not alone inside (Ooh-ooh, ha-ah)
I'm so afraid to lose the one (Hoo-ooh, hah-ah)
That proves I'm not alone inside (Ooh-ooh, ha-ah)
I'm so afraid to lose the one (Hoo-ooh, hah-ah)
That proves I'm not alone inside (Ooh-ooh, ha-ah)
I'm so afraid to lose the one (Hoo-ooh, hah-ah)
That proves I'm not alone (Ooh-ooh, ha-ah)
