

Dan de Dan

Daddy Yankee

You'll always be my baby
I'm always thinkin of you baby
yeaahh

Touch me in the mornin
and last thing at night
keep my body warm baby, u know it feels right
take it a little higher
i'm takin it too
tell me what your feelin
i'll feel it with you

We can only understand what we are shown
how was i supposed to know our love would grow

Move a little closer
make sure i'm lookin up
heal me with your loving
i need you so much, i need you so much, i need your so muchhh
yeahhhh
Ohh ohhhh

We can only understand what we are shown
how was i supposed to know our love would grow

We can only understand what we are shown
how was i supposed to know our love would grow

You touch my mind in special places
my heart races with you
i'll take your love and i'll take my chances
I'll take them with you

Touch me in the mornin
and last thing at night
keep my body warm baby, u know it feels right
take it a little higher
i'm takin it too
tell me what your feelin
i'll feel it with you

heeyyy

We can only understand what we are shown
how was i supposed to know our love would grow

You touch my mind in special places
my heart races with you
i'll take your love and i'll take my chances
I'll take them with you

i need you so much
