

# Doin' It Right

Daft Punk

Doing it right  
Everybody will be dancing  
And we'll be feeling it right  
Everybody will be dancing  
And be doing it right  
Everybody will be dancing  
When we're feeling all right  
Everybody will be dancing tonight (6x)

If you do it right  
Let it go all night  
Shadows on you break  
Out into the light

If you lose your way tonight  
That's how you know the magic's right

Doing it right  
Everybody will be dancing  
And we'll be feeling it right  
Everybody will be dancing  
And be doing it right  
Everybody will be dancing  
When we're feeling all right  
Everybody will be dancing tonight

If you do it right  
Let it go all night  
Shadows on you break  
Out into the light (6x)

If you lose your way tonight  
That's how you know the magic's right (6x)
