

# Face To Face

Daft Punk

What's going on?  
Could this be my understanding  
It's not your fault I was being too demanding  
I must admit it's my pride that made me distant  
All because I hoped that you'd be someone different  
There's not much I know about you  
Fear will always make you blind  
But the answer is in clear view  
It's amazing what you'll find face to face

I turned away because I thought you were the problem  
Tried to forget until I hit the bottom  
But when I faced you in my blank confusion  
I realized you weren't wrong, it was a mere illusion

It really didn't make sense  
Just to leave this unresolved  
It's not hard to go the distance  
when you finally get involved face to face
