

# Fragments of Time

Daft Punk

Driving this road down to paradise  
Letting the sun light into my eyes  
Our only plan is to improvise  
And it's crystal clear  
That I don't ever want it to end  
If I had it my way I would never leave  
Keep building these random memories  
Turn in all our days into melodies  
But since I can't stay

I'll just keep playing back  
These fragments of time  
And everywhere I go  
These moments still shine

I'll just keep playing back  
These fragments of time  
And everywhere I go  
These moments still shine

Familiar faces I've never seen  
Living the gold and the silver dream  
Making me feel like I'm seventeen  
And it's crystal clear  
That I don't ever want it to end  
If I had it my way I would never leave  
Keep building these random memories  
Turn in all our days into melodies  
But since I can't stay

I'll just keep playing back  
These fragments of time  
And everywhere I go  
These moments still shine

I'll just keep playing back  
These fragments of time  
And everywhere I go  
These moments still shine
