

# Get Lucky

Daft Punk

capo II

1. Like the legend of the phoenix  
Our ends were beginnings  
What keeps the planet spinning  
The force from the beginning

P: We've come too far  
To give up who we are  
So let's raise the bar  
And our cups to the stars

R: She's up all night 'til the sun  
I'm up all night to get some  
She's up all night for good fun  
I'm up all night to get lucky  
We're up all night 'til the sun  
We're up all night to get some  
We're up all night for good fun  
We're up all night to get lucky (5x)

2. The present has no rhythm  
Your gift keeps on giving  
What is this I'm feeling?  
If you want to leave, I'm with it

We're up all night to get (4x)  
We're up all night to get back together  
We're up all night (let's get back together!)  
We're up all night to get funky  
We're up all night to get lucky  
We're up all night to get lucky (8x)
