Too Long

Daft Punk

It's been much too long, I feel it comming on The feeling is getting strong It's been much too long, I feel it comming on The feeling is in my bones

Too long, can you feel it, too long, oh can you feel it Too long, can you feel it, too long, oh can you feel it

At last the long wait is over the weight is off my shoulder I'm taking all control My mind is set so free

I'm where I want to be To get the best of me

Too long, can you feel it, too long, oh can you feel it Too long, can you feel it, too long, oh can you feel it

I see, you feel the way I do, the feeling all so true the good feelings coming thru My mind is set so free I'm where I want to be, to get the best of me

Too long, can you feel it, too long, oh can you feel it Too long, can you feel it, too long, oh can you feel it

It's been much too long, I feel it comming on The feeling is getting strong It's been much too long, I feel it comming on The feeling is in my bones

Too long, can you feel it, too long, oh can you feel it Too long, can you feel it, too long, oh can you feel it

At last the long wait is over the weight is off my shoulder I'm taking all control yeah My mind is set so free I'm where I want to be To get the best of me

Too long, can you feel it, too long, oh can you feel it Too long, can you feel it, too long, oh can you feel it

You know you need it, I need it too you know you need it, it's good for you We're gonna move You know you need it, I need it too you know you need it

It's good for you
