

Shildo's Quest: Legacy Of The Dung

Daggermouth

Three years to the day since you sent me on my way
and I'm still ashamed for letting you hurt me this way
and I can't face that look of disgrace
Again I disagree and thats the part you hate most about me

(I'm still ashamed, for what you did to me)
I cant wait another year, so filled with fear
I cant face another year, theres no way

Five years to the day I feel so helpless, lead astray
You hurt me again by pretending to be my friend
Now I can see just what you mean
I've had enough of you and all the stupid fuckin' things you do

(I'm still ashamed, for what you did to me)
I cant wait another year, so filled with fear
I cant face another year, theres no way

You say you can't be alone
You say you can't let go

Where you gonna be when I get home tonight?
I guess you're getting a little sick of losing every fight
