

You Can't Soar Like An Eagle When You Hang Out With Turkeys

Daggermouth

I never thought we'd make it this far and I guess I take it for granted.

Cause I know that you'll be there!

I'm sorry, I'm so busy I hope that you'll forgive me

I promise that we'll be bros when I'm back from tour!

We're breaking the ties we bound so quickly.

So selfish, you know me.

And I wish I'd seen it in you.

This awful silence continues to take away what little freedom I have left.

Feed me your lines and I swear

That I will never be there, when you realize just what you've done to me.

We're breaking the ties we bound so quickly.

So selfish, you know me.

Parched brown grass passes me by

Kansas ain't so exciting without you

Awful hardcore blasts the speakers

But I bet this band has never had a bad review

Now you know just what to expect from me
