Maniak

Get up ! Brutality, in action Be me becoming an animal Blue eyes, bloody sight Ready for a fatal fight Maniak ! Anal way to explain you This hate I feel is all for you Prepare yourself to be killed Time has come for me to crush you Get up !Wake up ! Maniak !Born to kill... Maniak !Born to kill... Slave to violence Destroyer of innocence Genetic decadence Rituals ,voodoo dance Maniak ! Rape flashes , mad obsessions Sodomy, strangulation Watch your movie stars on t.v Let me paint unforgiven scars on your skin Get up !Wake up ! Maniak !Born to kill... Maniak !Born to kill... High level of adrenaline Let me push you down into your coffin Mouth open, still hot breath Disillusions, death is real Maniak ! The bloody color of your red fluid Lay in a bed of hemoglobin By killing you I build myself Your dead sight reflecting my face !

Dagoba
